For further details, please contact your counter personnel at KDS.

TB-50B

Comes with the convenient storage case

Can be hung on the wall even after removing it from the packaging

You can see how many blades are left

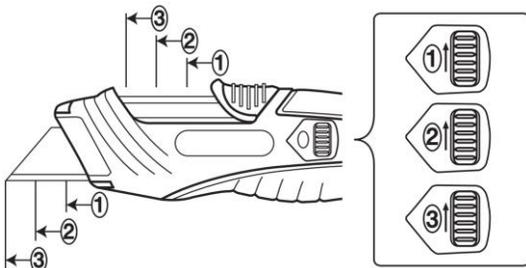

Easy to take the blade out!

SA-12B Safety Metal

Aluminum die-cast body Safety cutter. Suitable for right and left handers. Comes with 5 spare blades.

Our safety knife prevents injuries to workers and damage to items inside the box.

The blade length can be adjusted using the dial.

It prevents the blade from extending when the dial is set to zero.
