

Product specification change.

We would like to inform you of an upcoming change to the product specifications for the following items.

To reduce the weight of the outer cartons, we will be adjusting the quantity of items per carton. This change is aimed at making the cartons lighter, which we believe will have positive effects on the health and safety of all individuals handling them. The new carton configuration will be applied on a rolling basis, starting immediately with the ongoing shipments.

Current carton		QTY/ctn	GW	NW	M3	Carton size (cm)DxWxH
515416	GC-401	200	24	23	0.054	36.8 x 55.3 x 26.5
515614	LC-405	200	22	20	0.054	36.8 x 55.3 x 26.5

NEW		QTY/ctn	GW	NW	M3	Carton size (cm)DxWxH
515416	GC-401	100	11.50	10.35	0.027	19 x 55 x 26
515614	LC-405	100	10.50	9.50	0.027	19 x 55 x 26
