

Products Discontinuation:

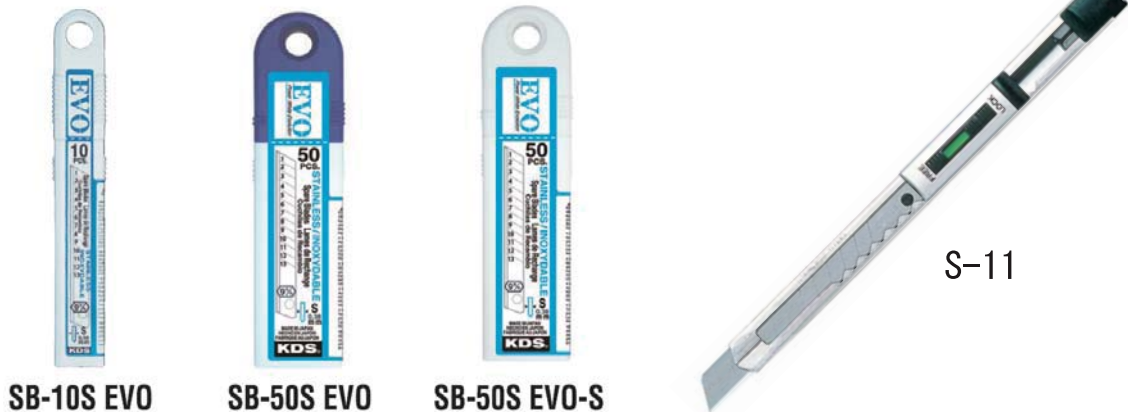

9mm Stainless steel blades

S-type(9mm) Stainless steel blades are soon to be discontinued after current stock are gone.

In connection with it, "S-11" cutter is also to be discontinued.

However, we have plan to renew S-11 with STEEL SPARE BLADES.

Please await our further news.

S-11

Trapezoidal blades "TB-10T", "TB-10S" and "TB-10C"

10 silver blades packs are to be switched to 5pcs/50pcs Black blades packages. New black blades are developed with the double high tempering technology like other Power Black Evolution series.
